THIS FUN RUN STARTS IN MARION SQUARE in front of the obelisk at 6:30 am (sharp-ish).

START off your journey by heading down Calhoun Street towards Meeting Street. Take a right onto Meeting Street.

FOLLOW Meeting Street all the way down to the battery (don’t run into the water, there are sharks). Take a right onto S. Battery and then a left onto E. Battery (which eventually turns into East Bay Street) to take you back up to where the hot coffee is waiting. Mmmm.

CONTINUE until you hit Calhoun Street and take a left. Follow that down a few blocks to King Street (past the Marion Square obelisk where we started this wonderful journey).

FINISH by taking a right onto King Street and then your first left onto Vanderhorst Street. By now you can smell the coffee brewing. Kudu will be on your right hand side. Come on in and enjoy a cup of joe with us!

Can’t make the run? No problem! Use this map for a great tour of the city on your own adventure.
