Self Reflection

Name:
Driving Question:
Project:

1. What is the most important thing you learned in this project?  
   (skill, information, facts)

2. What part of the project did you do your best work on?  
   (Creating it, pulling information together, working together with partner)

3. What was the most enjoyable part of this project?  
   (Working with partner, work time, research, presentation)

4. If you could do this project over, what would you change to make it better next time?  
   (use my time more wisely, change my project, work with a partner or not work with partner)

5. What do you wish you had spent more time on or done differently?  
   (research, project, presentation)

6. Feedback to Arnett on how to improve, streamline or change in the class.  
   (instruction, monitoring work, presentations, recording information)
