| Citizenship                            | • I consistently demonstrate respectful behavior towards my peers and facilitators  
• My actions are extending into the community                                                                                                                                                       | • My interactions with peers and facilitators are sometimes disrespectful  
• My actions only extend to my facilitator                                                                                                                                                                             |
| Communication                          | • I inform my teacher my current progress  
• I communicate with others on my project  
• I ask for help when I need it from my teachers, parents and peers  
• I effectively communicated my ideas in an organized manner.                                                                                                                                                   | • I need to improve on my organizational and communication strategies  
• I need to work on advocating for myself                                                                                                                                                                             |
| Innovation                             | • I am creating an original idea                                                                                                                                                                                  |                                                                                                                                                                          |
| Personal Responsibility/Professionalism| • I complete my goals in class and stay on task  
• I am respectful and prepared for class  
• I brought the required materials to class to be successful and meet my daily goal.                                                                                                     | • I need to develop goal setting and preparedness strategies                                                                                                                                                                    |
| Thinking (Critical thinking, problem solving, and decision making) | • I am able to persevere through a problem  
• I am able to make decisions to further my project/task.  
• I am seeking out guidance from a peer/facilitator/mentor when I am unable to come up with a solution on my own.                                                                                     | • I am working on developing grit and the ability to make critical decisions                                                                                                                                                 |
| Research and Information Fluency       | • I use credible sources for my research  
• I cite all of my research using EasyBib  
• I paraphrase my information using EasyBib and synthesize the information into my own words                                                                                     | • I am working on developing citation and writing skills to express my ideas and the ideas of others                                                                                                                        |
| Technology Operations and Concepts     | • I use apps or other technology to present my information  
• I used the technology appropriately for academic purposes only.                                                                                                                                               | • I need to more effectively incorporate technology into my work to enhance my presentation  
• I need to develop appropriate self-monitoring techniques                                                                                                                                                              |
| Collaboration                          | • I interact constructively with others  
• I am generating and implementing ideas  
• I am a responsible and accountable group member  
• I am working towards a common goal with my peers and mentors  
• I am respecting my peers’ ideas and taking them into consideration.                                                                                                                                       | • I need to develop strategies that allow me to more effectively work in a group and contribute to the ideas of my peers                                                                                                    |
