The Google Hangouts on Air console will pop up in a new window.

Apps for Hangouts on Air will appear when you hover on the left:

- Comment Tracker
- Screen Share
- Cameraman
- Hangouts Toolbox
- Control Room
- Draw
Creating Instructional Videos Using YouTube Live

The Hangouts on Air control bar is located at the top

- Allows you to invite guests to join your Hangout On Air as presenters.
- Mutes your microphone
- Turns off your video camera feed
- Adjusts bandwidth usage
- Opens the settings
- Ends the Hangout On Air
