What it takes to get in and stay in

Individualized Inquiry  Essential Elements
“School districts are required to provide students with disabilities an \textbf{EQUAL OPPORTUNITY} to participate in and benefit from the districts’ nonacademic services, including their existing extracurricular athletic activities.”

-- Office for Civil Rights (OCR)

“This equal opportunity does not mean:

\begin{itemize}
  \item Compromising student safety
  \item Changing the nature of selective teams
  \item Giving a student with a disability an unfair advantage over other competitors
  \item Changing essential elements that affect the fundamental nature of the game
\end{itemize}
