Dear Family,

Our unit for the next week is “All about superheroes.” We will talk about the many superheroes we see every day.

We will learn about different types of superheroes, the difference between superheroes and heroes. We will talk about how superheroes are about imagination and creativity. We will also talk about the safety of using weapons. We know that this can be a sensitive topic with that being said we will have local police officers visit our class and talk about safety of weapons.

Here are some activities we have planned:

**Art Center:** Create a superhero and a superville or supertown.

**Dramatic Play Center:** Superhero station.

**Literacy Center:** We will practice Superhero words such as protect, service, and community.

**Discovery Science Center:** Create foods that can make up strong such as protein smooth or salad with different veggies.

**Block Center:** Add boxes of different sizes and tubes of different size.

**Math Center:** Play superhero board game.

**Gross motor:** We are having a superhero Olympics.

At home you can:

- Talk about the importance of eating a healthy diet and taking care of his/her teeth.
- Talk about the community helpers in your neighborhood.

We are very excited about the activities we have planned. As always, thank you for sharing your child with us. Please don’t hesitate to call or email with any questions or concerns.

Sincerely,
