High Speed Rail

The Cascadia Corridor

Rick Glumac, MLA
Parliamentary Secretary for Technology
Province of British Columbia
A Shared Vision

British Columbia contributes $300,000 to the study …

… Microsoft chips in $300,000 to the study
Canada’s Turbo Train

Top Speed 200 km/h + (125 mph +)

… was just the beginning
Vancouver’s Skytrain

Where trains run…

… Construction booms
Connections Are Growing
