Christian Moore is an internationally-renowned speaker, author of The Resilience Breakthrough, founder of the WhyTry Program, and the nation’s leading expert on practical, everyday resilience. For over a decade, Christian has combined his life and work experience to create a unique resilience model aimed at changing the lives of participants worldwide. His childhood with severe learning differences in a blended family environment gave him his own raw lessons in resilience, and later a conviction that resilience can be taught.

Christian is a dynamic speaker who draws on his personal challenges, degree, career, and understanding of people to drive home the message of resilience to audiences from all walks of life.

Christian’s personal mission is to ensure that all human beings are given the opportunity to thrive, regardless of social or economic status, race, background, or other personal obstacles. With this in mind, Christian has expanded his vision from his highly successful WhyTry Program for youth to an adaptation that can provide EVERYONE - from at-risk kids to school administrators -- with the tools and opportunity to develop a resilient mindset.
