Story Time: Timmy
Story Time: Mrs. Parker
I get tired of the student always losing or forgetting his form. There’s got to be a better way!
Google Forms Makes Waves

- Consistent
- Customized for each student
- No “losing” papers
- Paperless solution
- Data – One Location!
Data in ONE Location

Is the student present or absent?
158 responses

- Present: 62.7%
- Absent: 37.3%
Easier to Use Data

- Readable
- Determine patterns
- Updates for reports/IEPs
