find your TRIBE cooperative learning game with FRACTIONS

PRINT AND PLAY | FUN ACTIVITIES
• Print and copy on cardstock or laminate.
• Cut out puzzle pieces.
• Make sure you have equal groups of 3 or 2.
• Pass out puzzle pieces face down. Make sure there are “tribes” or matches for everyone.
• Students stand up with their puzzle piece.
• Mix around the room.
• Look for their “tribe” the other 2/3 people that match with them.
• When you find your tribe, stay close together.
• Collect and pass out again.
You can also play in silence to make harder.
