2020: New Preschool Opportunities and Challenges

Association of California School Administrators: Every Child Counts Symposium
February 2020

California Department of Education, Special Education Division's special project, State Performance Plan Technical Assistance Project (SPP-TAP) is funded through a grant with the Napa County Office of Education. SPP-TAP is funded from federal funds, (State Contract #CN1400118) provided from the U.S. Department of Education Part B of the Individuals with Disabilities Education Act (IDEA). Opinions expressed herein are those of the authors and do not necessarily represent the position of the U.S. Department of Education.
Objective

Presenters will provide information to ensure districts are made aware of new requirements in the new monitoring for preschool data as well as about the implications for program delivery in special education preschools.
What are some of the state and federal changes impacting preschool?
What challenges do these changes present…

…for the state?
…for preschools?
…for children and families?
What opportunities and improvements do these changes present...

...for the state?
...for preschools?
...for children and families?
Do you see any “shining stars” or “bright spots”?
