Office of Assessment Activities

We can assist you in:

- Program-Level Assessment
- Course-Level Assessment
- Student Learning Accreditation Needs/Requirements
- Student Learning Outcomes Assessment component for the Program Review

We offer individual consultations or workshops on:

- The Assessment Process
- Creating/Refining Unit Assessment Plans
- Developing Student Learning Outcomes
- Building Rubrics
- Curriculum Mapping
- Using Evidence to Improve Learning
- Creating an Exemplary SLO Assessment Report
Types of Activities:

- Developing course-level and/or program-level learning outcomes
- Mapping course-level activities/assignments to the course’s learning outcomes
- Mapping course-level outcomes to program-level outcomes
- Designing assignments to match learning outcomes
- Designing rubrics, tests, or other assessment tools for course-level assessment
- Designing Rubrics for program level assessment
- Using results to improve teaching and learning in the course and the program
- Creating a program level assessment plan

Additional Services:

- Do you need Assessment resources for Grants?
- Are you interested in publishing your Assessment Data?
- Have you thought about student learning outcomes for things like engagement, service-learning, advising?
