We are Storybook Readers!

We look at the pictures, remember, read!

We make the words and the pictures match.

We talk like the characters.

We use words to join the pages together.

We read more and more exact words.

We find, point to, and read some of the words.

We make the words and the pictures match.

We talk like the characters.

We use words to join the pages together.

We read more and more exact words.

We find, point to, and read some of the words.
