Partnerships increase Collaboration

Dustin Parsons - Bauxite School District
Session Focus

Removing silos and labels from students and educators will open the door for drastic partnerships that focus on student growth.

Today’s focus is thinking abstractly on changing the culture of a classroom or school.
The job of an educator is to teach students to see vitality in themselves.

If we are all working for the same purpose ... Why do we work alone?
One small step ...
What do we need to do first?
INTEGRATIVE DESIGN

- Social Media
- Digital Media Learning
- Project-Based
- Game-Inspired
So why are we not modeling what we are teaching?
Partnerships look different for all
If we are here for student growth why not try something new?
