Directions to Nationals Park from the Marriott Wardman Park

These directions are from the hotel to Nationals Park via Metro. This is the best way to travel to the stadium as parking near the ballpark is difficult and expensive. “DC Ambassadors” will take groups to the game beginning at 5:30pm.

You will need a fare card to ride the Metro. Please note there is a $1 surcharge per trip to use a paper farecard. You may want to purchase a Metro SmarTrip card. Cards may be purchased in the Adams Morgan station.

Round trip fare between the hotel and the park is $4.30 (+$2 surcharge for using a paper farecard). Please be sure to have enough money on your fare card for the return trip as the Navy Yard station will be busy after the game.

1. The entrance(s) to the Woodley Park-Adams Morgan-National Zoo Metro station (Red Line) are adjacent to the hotel. Board a Red Line train in the direction of Glenmont.

2. Travel four stops on the Metro to the Gallery Place-Chinatown stop. Exit the train and proceed to the lower level to transfer to a Green Line train in the direction of Branch Avenue.

3. Travel four stops on the Metro to the Navy Yard stop. Follow the signs (and the crowds) for Nationals Park. Exit the station (you will see the stadium to your left) and proceed down Half Street to the Centerfield Gate of Nationals Park. Our seats are in the sections just through the centerfield gates.
