Photowalk Provocations

Sai Kung Photography Excursion

Complimentary Images
Find and frame images that communicate well with one another through texture, line quality, or shape.

Frame the Alphabet
Find and frame images that demonstrate a letter of the alphabet. Assign letter groupings to student groups or make the task a challenge during a week-away or field trip.

Thematic vs. Conceptual
A theme like “Green” or a concept, like “serenity”. Can reinforce for students the potential for making connections between learning tasks (or subject areas).
