Extra Support Sessions in technology and one to one coaching
F.A.C.E.S. hours increased to 8 hours for all 24 sites
F.A.C.E.S. Handbook and Resource Directory
LCAP Parent Survey and Parent Involvement Interest Survey, and Parent Workshop Evaluation

F.A.C.E.S. Monthly Meetings, and AUHSD Collaboration
PLI parent leaders from 16 sites attended a two day training to become facilitators of an 8 week parenting workshop that they facilitate at their site.

The program focuses on three outcomes:
* Positive Parent Engagement
* Improved Student Academics
* Strong Home Learning Environment

- PLI Technology Committee includes 12 PLI parent leaders that have been trained to facilitate a 5 week Computer for Beginners parent Workshop
- 10 Schools facilitated by P.L.I Team
- The Computer for Beginners sessions teaches parents about basic computer skills including:
  - Create gmail account
  - Navigate the district and school website
  - Keyboarding skills

PLI parent leaders volunteer to support Anaheim community events such as:

- Saturday Community Events promoting AESD
- First Kinder Festival
- CABE Conference volunteers & speakers
- International Arts Festival
- YMCA Showcase
- Day of Dead-Community Event

Currently 18 schools have provided the 10 Educational Commandments by Parent Leaders and District Staff.

The Process to setting the seed for college in AESD is not only to provide capacitation, but also give parents the opportunity to personally experience the different colleges.

Last year, parents that attended the 10 Educational Commandments workshops participated in a CSUF Parent Field Trip.

This year the parent field trip will be to UCI.
P.L.I Technology Committee

P.L.I Committee Members

P.L.I Technology Committee is conformed by P.L.I. parents from different AESD schools

P.L.I. Parents Teaching Computer for Beginners

Currently, Parent Leaders have provided a 5 week Computer for Beginners parent Workshop at 10 schools

Support in Development of Curriculum

PLI Technology committee members worked together with the technology department to develop a curriculum to provide parents basic computer skills, develop keyboarding skills and create a Gmail account. They teach the parents how to use the internet and navigate the district and school website. Parents become familiar with the different resources that support their child's education.
LCAP GOAL 4

To encourage and welcome the involvement of parents and the broader community in the educational process and in the celebration of student and organizational successes.
Increase parent attendance at academic trainings or support sessions by 3%
## LCAP GOAL METRIC

Parent Engagement Participation 3% Increase

Parent Involvement

The keys to successful school, family, and community partnerships.

A recent title for family and community engagement is a fundamental component to student success and achievement. For families to be engaged at home and at school, student outcomes increase. The engagement of families and community members in the education of our children creates a positive bond between the families and school.
