Teaching English to Speakers of Other Languages (TESOL) Master’s Program (MA)

EARN A MASTER’S IN TESOL AND ENJOY A WORLD OF OPPORTUNITY

Alliant International University’s graduate program in TESOL allows global-minded students to take advantage of the world’s demand for skilled educators of English as a Foreign Language. Study TESOL at Alliant and join a field with tremendous opportunity for both professional and personal growth. From the USA to countries all over the world, a TESOL degree from Alliant can take you anywhere you want to go.

As a TESOL master’s student at Alliant, you will:

• Earn your master’s degree in TESOL in as soon as 12 months
• Study with renowned faculty who have taught TESOL and English as a Foreign/Second Language (EFL/ESL) around the world
• Learn cutting edge techniques and strategies for teaching English listening, speaking, reading, and writing skills
• Engage in hands-on instructional activities in small classes
• Become an expert in communicative, task-based, and content-based language teaching
• Improve your communication skills in English
• Develop cross-cultural competencies studying with US and international students
• Acquire knowledge and skills to pursue a doctorate degree

THE ALLIANT ADVANTAGE

• 6 start dates per year
• Completion in 10-18 months depending on plan of study
• Choose between two convenient program formats:
  > Fully online program
  > On-campus in San Diego
• Engage in and learn among an international student community

Alliant is a private university accredited by the Western Association of Schools and Colleges (WASC). We are an equal opportunity employer and educator. For more information about our graduation rates, the median debt of students who completed the program, and other important information, please visit our website at www.alliant.edu/consumer.
ENGAGING LEARNERS IN A GLOBAL SOCIETY

Dilshad Hassan Ali Al-Hakary is pursuing a TESOL career to help his native Kurdistan region of Iraq train teachers and students to work and study in a global society. Alliant's TESOL program was his first choice for its strong international reputation and community.

Dilshad Hassan Ali Al-Hakary is a student in Alliant's Master of Arts in Education: TESOL program.

TESOL CAREER OPPORTUNITIES WORLDWIDE

Embark on a successful career at all levels of education, including colleges and universities, private ESL/EFL schools, government, corporations, and other programs and institutions focused on English as a Second Languages (ESL) and English as a Foreign Language (EFL).

- Teach English in colleges and universities
- Teach English for Specific Purposes (ESP) in academic, business, healthcare, and science, and technology organizations
- Train English As Foreign Language (EFL) teachers in your country and abroad
- Teach English in private schools
- Enhance elementary and secondary teaching with skills in teaching EFL
- Serve as administrator or policymaker in government agencies and other institutions
- Develop and write EFL textbooks, learning materials, and other publications
- Earn a doctorate degree in TESOL at universities worldwide

WHY ALLIANT INTERNATIONAL UNIVERSITY?

- Our TESOL graduate programs pair theory and professional practice for maximum impact in the learning environment.
- The TESOL degree programs blend the perfect balance of TESOL methodology, linguistics and education curriculum.
- Programs taught by leading experts in the field of English language education. You will have their insights and mentorship each step of the way.

Alliant offers a truly international environment with faculty who have lived and taught extensively abroad, as well as with students who come from all over the USA and world to become ESL and EFL instructors, teacher trainers, and leaders in their field. We take great pride in the difference our alumni make in the lives of English learners.

- Ken Kelch, Alliant Systemwide Director of TESOL Programs
