BOSH, Your Business and Why Multi-Cloud Matters

Dan Young,
CEO, EngineerBetter
Why is BOSH special?

http://lightsofsoho.com/product/bish-bash-bosh/
"It's important to understand that open source in this utility computing world is not a tactic, it's not a strategy, it's the only practical way of creating and competing in a marketplace"

- Simon Wardley OSCON 2007
The only **constant** is change.
Failing and Learning.
