
Go to CISC Symposium Navigators and login from any mobile, tablet or laptop/PC device. Select the account type and login to get started!

Upon initial login, you will be asked to set up your profile. First, select Your District “District”. Be sure to add your Twitter handle under ‘Social’ if you’d like to have your game achievements tweeted! Now you’re ready to Play This Game!

After your initial login, you will be directed to the CISC Symposium game introduction. Click on the green Let’s Play button to arrive at the game activity dashboard. Complete the Getting Acquainted Module for your CISC Symposium welcome sticker. See below for time and place for pick up!
From the Activity Dashboard you can check out how the competition is doing and click on ‘Play CISC Navigators 2018’ to get started!

Select from event related activities and start earning your points. You only need to complete enough activities to earn the required points mission to receive your mission badge and sticker!

Each activity is related to the conference, takes a short time to achieve, and is guaranteed to be entertaining!

Once you have completed your task, submit it for approval. We have a committee of amazing badge volunteers that will be approving your activity.

If for some reason you missed part of the evidence required, you will receive an email notification to go back and review your activity and re-submit. To re-submit, simply select edit from the action icon under ‘Record Achievement’ and click on the button upon completion.
Stickers!

For each mission you complete, you will receive the related mission badge in your game dashboard, and can also pick up the related sticker.

Complete the required points in each of the missions to receive your CISC Navigator 2018 Sticker & Badge! You will also be eligible for special Digital Badging Prizes at the Closing Session.

Pick up your badge stickers at the Badging Station in the Makerspace area:

- Wednesday: 7:00 am to 4:00 pm (by the Registration Table)
