Standardized Approaches to Clinical Trials, International Collaborations, and Fall Prevention

Join us for a four-part session to understand clinical trials and international education as they relate to oncology nursing.

- Gwen Wyatt, PhD, RN, FAAN, will present “Multi-Site Trials: Models, Methods, and Outcomes.”
- Jill Benedeck, RN, BSN, OCN®, will present “Lessons Learned From A Community-Based, Nurse-Led Clinical Cancer Trial.”
- Mary Kate Egan, RN, OCN®, will present “Twinning Oncology Nursing Practice: Building an International Collaborative Relationship From Pittsburgh to Kazakhstan.”
- Tahitia Timmons, MSN, RN-BC, OCN®, VABC, will present “Fall Prevention in the Oncology Population: An Interdisciplinary Approach Using Systems Theory.”
