Join us for a five-part session detailing approaches to fill common educational gaps among oncology nurses.

- Deborah Baldassarre, RN, MSN, OCN®, HN-BC, will present “Oncology Nurse Residency Program for Recent Graduate Nurses.”
- Maura Price, RN, BSN, OCN®, and Donna Colabroy, MSN, RN, OCN®, CCM, will present “Redesigning Orientation: Embracing the Challenge of Multidisciplinary Oncology Care.”
- Susan Mejstrik, RN, BSN, OCN®, will present “The Challenges of Educating Staff to Care for Both Pediatric and Adult Oncology Patients.”
- Daravan Kao, RN, BSN, OCN®, will present “Multidisciplinary Development of a Bone Marrow Aspirate and Core Biopsy Performed by Registered Nurses.”
- Andria Caton, RN, OCN®, CHPN®, will present “Ethics Theater: A Stage for a Nurse-Led Ethics Program.”
