English phrasal verbs are confusing for English Language Learners, especially intermediate to advanced learners, and this may cause confusion in a workplace setting.

ELLs often struggle with meaningful definitions, syntax, and other phrases in the English language. They may know the basic vocabulary, but cultural nuances, figurative language, and sentence structures may "throw them off."

There are many idiomatic expressions that native English speakers develop throughout childhood, and many of those are in the form of phrasal verbs.
“log on”

A game that gets them practicing common English phrases used in real life contexts.
“Get Up”
“Fill Out”
“Catch Up With”

How do you explain these to an ELL student?
Mission statement: To accelerate English Language Learning around the world through fun and innovation.
So how do you play the game?
