With a person next to you:

What do you hope to learn about embedding voice/choice into your schools?

Why is this important you?

How does this connect to your vision for your students?
Describe a moment in your K12 educational experience when you felt really had a voice or a choice in what and how you were you learning.

What was that moment?

Why do you remember it today?
SMALL GROUPS DISCUSSION

2 min) Individual Reflection

At the beginning of the session we asked, what do you hope to learn about embedding voice/choice into your schools.

Take 2 min to write in our journals

- What surprised you;
- What insight did you gain;
- What next steps or actions will you take as a result of this session in your school?
