HFLI DESIGN THINKING WORKSHOPS FOR EDUCATORS
SUMMER 2019 | DETROIT | SAN ANTONIO

DESIGN THINKING FOR DEEPER STUDENT LEARNING
Detroit: July 22-24
San Antonio: August 5-7

A 3-day experience that provides K-20 educators with an in-depth introduction to Design Thinking and how it can be used to engage students in meaningful thinking, learning and doing. Using an immersive learning approach, participants will have the opportunity to:

- Experience a Design Thinking Challenge
- Practice facilitating part of the Design Thinking Process
- Gain key skills
- Review, work with, and gain access to HFLI’s comprehensive set of Design Thinking materials
- Participate in conversations about implementing Design Thinking in schools
- Network with like-minded educators

Regular Price: $980 per person
Early Bird Price: $750

Register today at http://hfli.eventbrite.com

DESIGN THINKING FOR STRONGER SCHOOLS
Detroit: July 25-26
San Antonio: August 8-9

This 2-day experience is for school leaders and transformational educators who want to use design thinking to address a specific challenge and enact change in their schools, build complementary skills (systems thinking, rapid prototyping, change management), and work collaboratively. Using an immersive learning approach, participants will have the opportunity to:

- Develop skills to lead with empathy
- Reframe wicked education problems to address their root causes
- Build responses and prepare to implement proposed solutions back at home
- Work on a tangible issue with educators from around the country

(No previous Design Thinking experience required. A powerful complement to our 3-day workshop.)

Regular Price: $725 per person
Early Bird Price: $650

SITE COACHING
We’ll come to you! HFLI provides customized, on-site workshops and professional development. Give us a call to learn how we can help you integrate Design Thinking into your school to deeply engage your students, your staff and your community through meaningful learning experiences.

REGIONAL/MULTI-SCHOOL WORKSHOPS
In addition to our annual series of open enrollment summer workshops (left), we will also schedule regional or multi-school workshops based on local need. Whether it’s Design Thinking for Deeper Student Learning or Design Thinking for Stronger Schools, we can bring our popular learning experiences where they are needed.

SPECIAL TITLE I SCHOOL PRICING
We are committed to making professional learning more accessible to educators from Title I Schools through special pricing. Contact us to learn more!
