8D - Data Archiving Workshop

Nancy Ritchey*, Kirsten Larsen*, Nazila Merati**, Charles Anderson*

Archive Branch Chief, Coastal Data Development Science Advisor, Archivist, Fisheries Acoustic Data Manager
*NOAA’s National Centers for Environmental Information
** ERT supporting NMFS Office of Science and Technology

NOAA EDM Workshop
Tuesday, April 24, 2018
Purpose

Audience: Data managers, producers, providers and interested folks.

Purpose: Bring questions, data, issues, etc. to NCEI experts who will help you move along the path to getting data archived and accessible. No question is too arcane, trivial, or challenging for this workshop.
