Google Classroom
GETTING STARTED

1. Always Use Google Chrome. Some features won't work using other browsers.

2. Google Classroom website
First go to google.com then... Go to classroom.google.com

3. User Name
STU_ + First Initial + Last Name + Last 2 #s in ID@midlandisd.net
Example for John Doe:
STU_JDOE56@midlandisd.net

4. Password
Password: 00 + Student ID
You will then be prompted to change your password. This needs to be something you will remember.

5. Join Group
- If you see an invite for this class, you will click "accept invitation".
- If you do not see the invite, click the + in the top right corner and enter the class code.
