Who is on your Team?

What do you want your team’s #Hashtag to be?

Mission: All students will graduate prepared and ready for college or career.
As we mix & mingle to the music you will share your answer to your card with a partner. Then swap cards & find a new partner.

To complete this task you will swap with 5 different people.
‘Pump Up’ Your Meetings

In Google Classroom:
Staff Activities

Videos:
Evolution of Dance Videos
(Hilarious to do with kids as a brain break)
Mission: All students will graduate prepared and ready for college or career.

Where are you now?

OR

What is your background?

Elementary School

Middle School

High School

'I get it, stop talking'

'I am embarrassed that I'm confused'

'Please explain again, I'm focused now.'
Mission: All students will graduate prepared and ready for college or career.
Communication to Stakeholders

Who are your Stakeholders?

- staff
- students
- parents
- community

Mission: All students will graduate prepared and ready for college or career.
Let’s Poll the room to see how communication is on each campus.

Share Out:
What ways have you seen communication improve on your campus?

Have you used Google Forms to poll or gather information from your campus stakeholders?
- Technology Requests
- Bus Rider Info
- Campus Climate Survey
- Supply Requests
- Field Trip Requests
- Discipline w/o Referral
- STAAR info

How to pick the best team…
 Characteristics…
 Leaders vs. Tenure

Mission: All students will graduate prepared and ready for college or career.
How can we not lose momentum?

-No one's fault

-What are the first ‘protocols’ or ‘procedures’ that go by the wayside?

-How can you tighten up but not increase the stress of the ‘trickle’?
