**Education For The Real World**

EVERFI empowers educators to teach real-world skills in their classrooms. By providing a catalog of blended learning curriculum resources focused on the skills students need for life — skills in social-emotional learning, health and wellness, financial capability, and career readiness — EVERFI helps schools and educators bring whole child learning to life.

**Partners In Education**

EVERFI’s unique approach to funding ensures that access to the critical content in our digital course library is always available to any school seeking solutions to better prepare their students for success beyond the classroom.

Thanks to the generous support of our sponsoring partners, EVERFI’s digital curriculum, professional development, special event opportunities, and unparalleled regional support are available at no cost to your district.
**Social-Emotional Learning**

Our social-emotional learning curriculum is designed to help students manage their emotions, practice self-awareness, build perseverance skills, and maintain healthy relationships, so they can excel in school, community, work, and life.

Outstanding curriculum is only part of the solution — EVERFI also understands the importance of comprehensive support in ensuring success. Available at no-cost, EVERFI’s entire library of resources is readily available to schools and teachers in a self-service, easy-to-use platform that enables teachers and students to focus on learning.

Regional Support

EVERFI believes in having a familiar and friendly face readily available to provide support to any student, teacher, or administrator implementing our digital curriculum resources. Comprised of many former educators, EVERFI’s K-12 Implementation Team is here to provide your district with professional development opportunities, customized solutions, and real-time user support.

Flexible Course Fit

EVERFI’s digital resources are designed from the ground up to be flexible for schools’ needs. Containing standards-aligned digital modules, supplemental offline lesson plans, and more — our resources provide a menu of customizable options to fit the curriculum needs of your district. From standalone initiatives to embedding in core classes, EVERFI’s team will help build the best plan for your students and teachers.

Measurable Impact

EVERFI equips educators with real-time, actionable data on both their students’ knowledge gain and attitudinal and behavioral changes surrounding our subject areas. Partner districts also receive semi-annual Impact Reports, which provide a deep dive into their district’s usage of EVERFI, including impact and takeaways.

EVERFI empowers educators to bring real-world learning into the classroom and equip students with the skills they need for success—now and in the future. Thanks to partners who share this mission, EVERFI’s online resources for teachers are available at no cost.
