We’re making soup

We’re making soup for dinner
Get out the pot
Pour in the water
And fill it to the top!
Wash up the veggies
And get ready to chop,
This kitchen is about to get very very hot! (“Phew!”)

Let’s put potatoes in the pot
Potatoes in the pot
Who’s got potatoes for the cooking pot?
Add a-little-bit-of-salt and a-little-bit-of-pepper
And stir it until I say STOP!

We’re making soup for dinner...

Let’s put some carrots in the pot...
Let’s put some broccoli in the pot...
Let’s put some peppers in the pot...
