UseGalaxy.eu: Community, Training, Infrastructure, and Users

Helena Rasche\(^1\), the European Galaxy Project

1. Bioinformatics Group, Department of Computer Science, University of Freiburg, 79110 Freiburg im Breisgau, Germany.

The UseGalaxy.eu began life as the private Freiburg Galaxy Server, and in the past two years it has grown into one of the largest public Galaxies. We will present on our users, development in the past years, the communities we have helped foster, the improvements to training, and our training infrastructure as a service.
