High Leverage Teaching Practices

Karen Lioy and Haley Wise
World Languages Instructional Coaches
All students deserve to learn languages at high levels.

Enacting the Work of Language Instruction
-High-Leverage Teaching Practices
First Step

- What is worth learning?
- How does learning take place?
- What kind of teaching can support learning?

HLTP #1- Facilitating Target Language Comprehensibility
Design Time

1. Go to the curriculum, select your unit.
2. Design a micro-lesson that meets HLTP #1.
3. Share out.
THANKS!
