Up Your Unpacking
Connection to LEAD, Dept. Goals

**Lead 2.0 Goal 1:** Actively identify and remove barriers that limit access to and opportunity for learning.

- **Humanities:** Establish a solid understanding and implementation of teacher clarity and regular analysis of assessment data to make student learning visible.
  - Unpacking: pre-assessment data
  - Unpacking Visual: teacher and student clarity around learning expectations.
Learning Intentions (What are you learning?)

Learn tips and tools to unpack rubrics for Embedded Assessments digitally!

- Learn options for students to unpack rubrics digitally
- Learn how to incorporate digital pre-assessment
Anticipation Guide

Rank your comfort level with each of these statements on a 1-3 scale (1=Not Yet, 2=With Help, 3=You bet).

- I can use Google Docs to create editable rubrics for student unpacking.
- I can use Google Jamboard to create a collaborative visual of unpacking.
- I can use Google Forms to synthesize student self-assessment of unpacked assessment.
Defining Teacher Clarity

In other words...

☐ What
☐ Why
☐ How

TEACHER CLARITY
Deep understanding of what to teach and why, and what success looks like
Join our Google Classroom

- 2gd2rd

Unpacking T-Tess Rubric for domain 2.

Using Google Doc tools:

1. Mark the "Proficient" column of the rubric by highlighting the action verbs in YELLOW and underlining the nouns/phrases that follow.

2. Highlight in PINK any terms/phrases that differ in the "Distinguished" column from the "Proficient".
Visual Unpacking

Find Google Jamboard in Classroom. Add your unpacking to the rubric.
### T-TESS Unpacking Self-Reflection

Use the grid below to indicate how confident you feel in each of the skills identified in our T-TESS Rubric.

<table>
<thead>
<tr>
<th>Setting challenging expectations for students.</th>
<th>Somewhat confident: some review and practice would help.</th>
<th>Very confident: I could share my expertise with colleagues in this area.</th>
</tr>
</thead>
