Exploration Time

15:00
Today, on World Dyslexia Day, we are proud to announce that **Immersive Reader is now built into Flipgrid**. Within Flipgrid Topics, Immersive Reader can:

- Read text aloud
- Change text size, font, spacing, and color
- Highlight parts of speech
- Break words into syllables
- Provide line focus
- Improve word understanding with picture dictionary

Recording Best Practice Tips

- Set a designated recording spot
- Use a tent, box, file folder or partition to separate students
- Have students write a brief script or notes
- Have students practice a couple of times before recording
- Set a specific amount of do-overs allowed
- Flipgrid for the Camera Shy
