What's Inside
Sara Bareilles

Sugar, sugar, sugar, butter
Sugar, butter, flour
Sugar, butter, flour
Sugar, butter, flour

My hands pluck the things I know that I'll need
I'll take the sugar and butter from the pantry
I add the flour to begin what I am hoping to start
And then it's down with the recipe and bake from the heart

What's inside, everyone wants to know what's inside
And I've always told them, but I feel something needs to change
You wanna know what's inside?
I could tell you if I wasn't hiding
My whole life is in here
In this kitchen, baking
What a mess I'm making
Instructions:

The Most Amazing Chocolate Cake

1. Preheat oven to 350 degrees. / Butter three 9-inch cake rounds / Dust with flour and tap out the excess.
2. Mix together flour sugar cocoa baking soda, baking powder and salt in a stand mixer using a low speed until combined.
3. Add eggs buttermilk warm water OR COFFEE! Oil and vanilla. / Beat on a medium speed until smooth. / This should take just a couple of minutes.
4. Divide batter among the three pans. I found that it took just over 3 cups of the batter to divide it evenly.
5. Bake for 30-35 minutes until a toothpick inserted into the center comes out clean.
6. Cool on wire racks for 15 minutes - then turn out the cakes onto the racks and allow to cool completely.
7. Frost with your favorite frosting and enjoy!

The Chocolate Cream Cheese Buttercream Frosting

1. In a large bowl, beat together butter and cream cheese until fluffy. Use a hand mixer or stand mixer for best results
2. Add in cocoa powder and vanilla extract. Beat until combined.
3. Beat in powdered sugar, 1 cup at a time. Add milk as necessary to make a spreadable consistency. The frosting should be very thick and will thicken even more if refrigerated.

EAT!
