Getting Started - CAMA GIS Integration 101
Brent Jones, Global Manager, Land Records/Cadastre, Esri, Vienna, VA

ABSTRACT TEXT: What does CAMA and GIS integration mean? Why do it? What are the benefits? How do I do it? What do I need to know? How do I get started? All of these questions and more will be answered. If you’re new to integrating GIS and CAMA, this session will cover the basics of how to get full value of your GIS from integrating with CAMA. We will cover the types of integration what works, what is easy, pitfalls, and what to avoid.
