Bringing Spreadsheets to Life Using GIS
Bill Wetzel, Senior Account Manager, The Sidwell Company, St. Charles, IL

ABSTRACT TEXT: Have you ever pulled data into a spreadsheet then wanted to view it/visualize it on a map? It’s easy to do! This session will discuss and showcase several methods of viewing data from a spreadsheet using desktop GIS, online GIS and other analytical/visualization tools.

Nobody’s too Small: Mass Appraisal for Small Jurisdictions
Paul Bidanset, Ph.D. candidate, Valuation Research Project Manager, IAAO, Kansas City, MO
