We have a two Pronged strategy for Africa:

**Awareness**
Promote Awareness and Meaningful Participation of Africa in ICANN & the wider IG Ecosystem in partnership with other I* and Af* Organizations.

**Build Capacity**
Transform the DNS & Internet Industry in Africa by Facilitating capacity development and Cultivating an environment for the emergence of an Africa grown domain name industry and business.

Our Regional Engagement Centre in Nairobi is Central in Supporting our work in Africa.

Looking ahead

Outreach to all stakeholders
- Deepen our Engagement with Private Sector (Business Community)
- Deepen Engagement with governments and possibly more GAC reps
- Key focus on New audience in ICANN (Work with Youth & Academia)

Encouraging Participation in ICANN Programs
Encourage the African community to participate in ICANN’s available programs, including online learning opportunities, CROPP, attending events in Africa, supporting the development of these programs, and encouraging new programs such as DNS Entrepreneurship

Training and Support to Stakeholders
- We plan to keep supporting our flagship DNSSEC project with focus on signings for the countries already trained.
- Encourage the IDN program in Africa and DNS Entrepreneurship
- Revamp the Africa Strategy Steering Community
Engage with ICANN
