## EVERY VOICE COUNTS

[www.youthigf.com](http://www.youthigf.com)

The Youth IGF is a global movement that operates as a multi-stakeholder platform. It allows the young to discuss and take a lead in the field of Internet governance-related issues in the format of local, national or regional debates. The Youth IGF is based on the principles of the UN Internet Governance Forum (IGF) and their full respect. The Youth IGF aims to give the opportunity of equal multi-stakeholder participation in the building process of the Information Society to teenagers and young people from different countries around the world.
