**Speed Dating with Nonfiction**

Look through the books on your table and choose a date. You will have three minutes to get to know as much as you can about your date and decide if it is true love, friendship, or no way.

Spend your time looking at the cover, the index or glossary, and the illustrations. As you get to know your book, complete the form below to help you decide if this is the book for you. If you find a book you would like to spend more time with, feel free to take it with you. If a better book comes along, you can always replace this book in the pile.
