HAPPILY EVER AFTER: SUSTAINING TECHNOLOGY INITIATIVES

Jana Craig-Hare & Amber Rowland
University of Kansas
FOUR SUSTAINABILITY STEPS

1. Determine Action
2. Conduct Gap Analysis
3. Form Strategy
4. Execute Plan
Determine Action

- What do you want to sustain? Why?
- How do you measure success?
CONDUCT GAP ANALYSIS

- Determine Fiscal Needs
- Identify Existing Resources
- Analyze Funding Gaps
FORM STRATEGY

- Explore Cost-Saving Options
- Generate New Revenue
EXECUTE PLAN

- Document the Plan
- Build System of Support
- Establish Continuous Improvement Process
FOUR SUSTAINABILITY STEPS

Determine Action
Conduct Gap Analysis
Form Strategy
Execute Plan
- What successes have you had with sustaining your initiatives/programs?
- What are your sustainability challenges?
- Where do you find funds?
- Who are your supporters?
- How do you measure your success?
THANK YOU!!!
