WELCOME TO
THE GREATEST
CLASS ON EARTH!
Tame your “Sideshow” with G Suite for Education
Make life “sweeter” and keep students engaged with G Suite tools. We will discuss ways to keep your students organized and focused on the 4C’s without turning your classroom into a sideshow!
4 Reasons to use Google Slides for templates:

- set a fixed background
- great for class collaboration
- TONS of design flexibility
- create master slides for different activities/digital notebook
How to brainstorm template ideas

- Focus on learning goals
- Choosing the appropriate tool(s)
Use Strategies That Work

Graphic Organizers
