Library Space to Meet the Needs of Medical Students

Lisa Marks, MLS, AHIP
Director, Library Services, Mayo Clinic Arizona
Research Library to Learning Resource Center (LRC)

• Space initially served as the Research Library for Arizona campus

• With decision to open an Arizona branch of the Mayo Clinic School of Medicine & Science, a dedicated library space for the school was needed
  • Due to funding and space issues, decision was made to renovate an existing library space

• The space has had several incarnations
