Gender Support Plan

The purpose of this document is to create shared understandings about the ways in which the student’s authentic gender will be accounted for and supported at school. School staff, caregivers and the student should work together to complete this document. Ideally, each will spend time completing the various sections to the best of their ability and then come together to review sections and confirm shared agreements about using the plan. Please note that there is a separate document to plan for a student formally communicating information about a change in their gender status at school.
