Student Talk Moves

- What you just said matches our experiment because...
- Why did you say that? Can you explain your evidence?
- Could you give me an example?
- I’m not sure I understand what you are saying. Could you say it in another way?
- I hear what you are saying but my evidence said something different...
- I’d like to add on to what __________ said
- I have evidence of what you just said, __________
- Another thing we found that goes with that is....
- So, are you saying…?
- Going back to what ________ said about __________
