**Think in Pictures: Like Dr. Grandin (Grades 3-5)**

Students will compare agricultural inventors and inventions by creating a timeline of important dates, explore cattle flight zones, and work as agricultural engineers to design a corral system that uses the research of Dr. Temple Grandin.

**Think in Pictures: Like Dr. Grandin (Grades 6-8)**

Students will explore cattle flight zones and work as agricultural engineers to design a corral system that uses the research of Dr. Temple Grandin.

**Time Magazine Top 100 in 2010**
