Facilitator’s Training Sessions

Offered by the Central Michigan Science, Mathematics, Technology Center

These sessions are geared for Science Consultants or District Science Leaders

Participants leave equipped with the knowledge and resources to implement and facilitate the complete five-day Phenomenal Science Unit Introduction in their district or region.

⇒ During these sessions, participants will learn

- How to properly implement Phenomenal Science professional learning to enable teachers to enact Phenomenal Science Units
- How the Phenomenal Science Key Instructional Strategies align to meet the shift in the Michigan Science Standards
