How do you judge if your participants are engaged?

- Their eyes/body language. They ask questions.
- How much they are contributing.
- Asking for feedback periodically.
- Not looking at phone.
- Asking questions.
- Paying attention.
- Talking within their small groups; able to share their small group research findings & decisions.
- If they respond, either verbally or through body language, ask questions, etc.
- I ask them a lot of questions that make sense in the context of what I am teaching.
