THE FOUR QUESTIONS

Why is this night different from all other nights?

On all other nights we can eat either learned bread or matzah, but tonight only matzah.

On all other nights we eat all kinds of vegetables, but tonight we also eat bitter herbs.

On all other nights we can dip once. Tonight we must dip twice. First we dip haroset in salt water and then we dip maror in charoset.

On all other nights we sit straight in our chairs, but tonight we lean to one side.

Wise wizard says: By asking these 4 questions we remember how God instructed Moses to free the Jewish people and lead the Exodus out of Egypt.

CHANUKAHT MIRACLE
הנבק

THE STORY OF CHANUKAH...
Long ago, in the Time of the Holy Temple in Jerusalem, the Land of Israel was ruled by the Greek King Antiochus. Antiochus commanded that the Jews may no longer study Torah or practice their religion, and that they must pray to Zeus. In a small town, a man named Mattathias and his sons decided to stand up for what they believed in. Lead by Judah, they called themselves the Maccabees, and fought back against the mighty Greek army. After three years of fighting, the Maccabees finally liberated the Holy Temple, which had been desecrated by the Greeks. The Maccabees cleaned up the Temple and REDEDICATED it to God.

THE LEGEND OF THE OIL.
When the Jews were cleaning up the Temple, they searched for oil to relight the Shabbat lamp, which was supposed to burn continuously. They only found enough oil to last for one day, but miraculously the oil burned eight whole days, until they were able to get more. Now we light the Chanukah menorah eight nights every year!

**HOLIDAYS**

**Yom HaShoah – Day of the Holocaust**

In 1939, a man named Hitler came to power in Germany. He wanted to rule the world and the destruction of the Jewish people.

Hitler and his army, the Third Reich, started to kill Jews. Millions of Jews were killed in the Holocaust.

 Holocaust is the word that means “a complete destruction” or “a total loss.”

On Yom HaShoah, we honor the memory of those who perished in the Holocaust. We remember the Jewish and non-Jewish people who helped and fought to save others.

- Never Again: The 6th Commandment
- Israel: Another Name for Israel

**Yom Ha’Atzma’ut – Israel’s Independence Day**

After the destruction of the Second Temple in the year 70, the Land of Israel was ruled by non-Jewish empires, and many Jews lived outside of Israel.

In the 1950s, a new country was formed in the place of the old Second Temple. A new name for the new country was given: Israel.

Israel is the belief that the Jewish people should have a homeland. This idea has been around since the time of the Bible.

The ancient Hebrew language of Palestine was revived as the official language of modem Israel.

Israel was established on May 14, 1948, but Israel was attacked the next day by its neighbors.

Israel’s independence and life were largely due to the efforts of the people who fought for their freedom.

**Lag Ba’omer – 33rd Day of the Omer**

33 + 30 = 63

We count the 49 days, called the Omer, from the second night of Passover, and the 30 days after that.

33 = (Lag)

The Omer is a period of time during which the ancient Jews counted the days.

After the destruction of the Second Temple, the Jewish community in Israel was destroyed and many were killed.

They would later go back to the land of Israel.

**Shavuot – The Holiday of Weeks**

The counting of the omer lasted 49 days, or 7 weeks. On the 50th day, we celebrate Shavuot.

Shavuot celebrates the beginning of the harvest season and the year’s first fruits.

The ancient Hebrews would offer the first fruits and grains to God as a thanksgiving sacrifice.

Shavuot also celebrates the anniversary of the day the Torah was given to Moses.

Many congregations have a “difficult” ceremony for their leader, known as Shavuot.

The Book of Ruth (Shenirah or Haggadah) is read on Shavuot. This book shows the importance of the Temple and King David.

On the 5th day of Av in 3754 B.C.E., the First Temple in Jerusalem was destroyed by the Babylonian empire.

The Book of Lamentations (Esa Nishim, or Yizkor) contains poems about this tragedy.

On the 9th day of Av in the year 70, the Second Temple, built by King Solomon, was destroyed by the Roman army.

For over 2,000 years since the Second Temple was destroyed, Jews have gathered around the world and remembered the destruction.

The 9th day of the month Tishah B’Av is a day of mourning and remembering the destruction of the Second Temple.

Maimonides or Rambam's 8 Levels of Tzedakah

1. One who gives unhappily.
2. One who gives cheerfully, but can give more.
3. One who gives a sufficient sum, but only when asked to give to the needy.
4. One who gives before being asked and directly to those people in need.
5. One who gives so that the needy knows the source, but the giver does not know who he/she is giving to.
6. One who gives so that the giver knows the identity of the recipient, but the recipient does not know the giver.
7. One who gives so that the giver knows not the identity of the recipient, nor does the recipient know the identity of the giver (anonymous).
8. One who helps the needy by not offering a gift, or a loan, but provides a partnership or work so that the person can support him/herself.

Did you know?
- As stated directly from the Torah, in the book of Leviticus, G-d commands us to give 1/50th of our wealth to the poor.

Tzedakah means righteousness or to act justly.

Other forms of charity are:
- Chesed Kedosha - acts of loving kindness
- Tikkun Olam - to repair the world

Tzedakah is our religious duty. Our civic responsibility to, God and our neighbors.

Wise Wizard says:
We all try to be holy and respectful to G-d. If we take care of our family, friends, neighbors and the world around us, then we are doing what G-d commands us to do.

THE EXODUS FROM EGYPT:
About 3,000 years ago, the Jews were slaves in Egypt under the rule of Pharaoh, Ramses II. Baby Moses was found in the Nile by Pharaoh’s daughter and adopted to become the prince of Egypt.

10 PLLAGUES WERE UNLEASHED IN THE LAND OF EGYPT.
- Blood
- Frogs
- Flies
- Locusts
- Worms
- Cattle Disease
- Boils
- Hail
- Darkness
- Killing of the Firstborn

The Jewish people had to hurry to escape Pharaoh and his army, as they did not have time to let their bread rise. We eat Matzah to remember the Jewish people and their Exodus from Egypt.

A great miracle is that the Red Sea parted for the Jews, allowing them to cross to the other side. The waves of the Red Sea closed on the Egyptians, drowning Pharaoh’s army. The Jewish people sang a song of praise to God when they realized they were free.

Did you know?
- דָּרֶךְ (Derekh) means “way” and everything we do at our Seder is in a prescribed order.
- DO YOU KNOW that our special book is called the Haggadah, which relates the Passover story of God freeing the people from slavery in Egypt?
- DO YOU KNOW that throughout the Seder, there are 3 mysteries in the middle Matzah is broken in half and all the children try to discover where it is hidden.

We share 4 cups of wine:
1. Symbolizing our joy.
2. Symbolizing our yearning.
3. Symbolizing our liberation.
4. Symbolizing our aspiration.

Wise Wizard Says:
The test comes into play at the 4 glasses. Why is this night different from all other nights?

A cup of wine is reserved for the Prophet Elijah who will visit at themoment with the coming of the Messiah. We open the door for Elijah and place a glass of wine on the table for this special prophet.

Purim Story

Once in Persia, King Ahasuerus commanded his wife Queen Vashti to parade in front of his friends at a party. She refused and is banished from the kingdom. The King holds a beauty contest and chooses to marry a beautiful woman named Esther.

But Esther has a big secret - she is Jewish. Esther had a uncle named Mordechai. One day the King's evil advisor Haman commanded Mordechai to bow to him, but Mordechai refused because Jewish people only bow to God. This angered Haman, who convinced the King to make a law that all the Jews of Persia would be killed on the 13th of Adar.

Esther knew she must save the Jews somehow. She goes to the throne of the King, even though she was not summoned. She invites him to dinner and finally tells him she's Jewish. The King is furious that Haman wanted to kill her people and orders him to be killed instead.

The next day, the 14th of Adar was celebrated as a Victory of the Jews Over Haman, and now we celebrate it every year!

Purim Symbols and Foods:

- Hamantaschen: cookies shaped like Haman’s 3-cornered hat and are usually filled with poppy, prune or fruit.
- Groggers: noise-makers to drown out Haman’s name.
- Megillat Esther: the “scroll” telling the story of Esther.
- Mishloach Manot: gift baskets for friends, family, and those in need.

Did You Know?

On Purim, we dress up in costumes and do funny plays. It’s a tradition to have fun.

The word “Purim” means “lots” and Haman picked out of his lot the day he would kill the Jews. In memory of that day, 13th of Adar is referred to as “The Feast of Esther.”

Esther’s Hebrew name was Hadassah, which today is a wonderful women’s organization that helps Israel and Jews all over the world.

Wise Wizard Says:
Purim gives us courage, makes us strong and teaches us K’al Yisrael; Jews are responsible for one another.

The New Year for Trees!

The Wizards Tu B'Shevat Seder

Season

- Nature

God's greatest gift to the Jewish people is the Torah, which is inspired by the Tree of Life. There are many forms of life that depend on you: trees. The tree is the symbol for Purity, both in our soul and in our character. The roots symbolize our traditions and the branches are our children.

The Seder: Various colors of juice are used as the 4 seasons: Winter, Spring, Summer and Fall. Our 4 seasons are associated with the 4 elements of Nature: Earth, Water, Air and Fire.

Blessing over the Fruit

Blessed are you, Adonai, Ruler of the world, who creates the fruit of the tree.

Did You Know?

The almond blossom is the most visible sign of the arrival of Tu B'Shevat in Israel. With the arrival of Tu B'Shevat, the patronage of the almond trees can be seen all around Israel's holidays.

In Israel, many people celebrate Tu B'Shevat by planting trees. Outside of Israel, we celebrate Tu B'Shevat by planting a tree or helping the environment.

The Torah describes Israel as a land blessed with orange fruit and grapes. A land of milk and honey, a land of olives and figs, and a place of abundance.

Wise Wizard Says:

Tu B'Shevat reminds us that we should celebrate and appreciate Trees and that we are responsible for the world around us. The Torah teaches us not only to care for our neighbors but to care for nature, too.

Tree of Life Prayer

Tree of Life Prayer text from: Proverbs 3:16,17 Lamentations 5:21

It is a tree of life to those who hold it fast, and all who cling to it find happiness. Its ways are ways of pleasantness, and all its paths are peace. Help us to return to You, O God, truly that we return. Review our days as in the past.
