BRIDGING STUDENTS WITH AUTISM INTO TECHNOLOGY INDUSTRY JOBS: COMING TOGETHER TO NAVIGATE TRANSITION

CARE COORDINATION, COMMUNITY EMPLOYERS, REFERRALS AND NETWORKING, COLLABORATION
## Call to ACTION: Come together

### Schools
- See strengths in all students
- Connect with community service providers
- Involve Care Coordinators in IEP
- Host and inform parents (repeatedly) through agency fairs
- Understand government funding programs

### Service Providers
- Connect with schools and businesses
- Integrate care coordination into services
- Participate in agency fairs (large and small)
- Educate businesses about government funding programs
- Educate schools about employment options

### Businesses
- Connect with community service providers
- See strengths in all abilities
- Work with service providers and individuals on job carving
- Learn about tax credits for employing people with disabilities
